For your reading pleasure. Got an email from Don today saying that the EBR work plan is still being reviewed by the Air Force and they do not know when it will be shared with the agencies. If they have not released it to us by the time of the next conference call, they will let us know the schedule at that time. The next call is scheduled for Nov 19 at 3 pm CST, however, I informed Carolyn today that I will not be available at that time, and we are trying to reschedule the ST-12 discussion.
